Wednesday 24th January 2018

Dear Parents/Carers,

Drop Everything and Read Sessions!

At Whitmore Park Primary School, we believe that reading is an essential life skill. Reading is not only explicitly taught in lessons but as a school, we place a big emphasis on reading for pleasure and supporting children in gaining a love of reading and of books.

We would like to offer parents the exciting opportunity to come in to school and share a book with their child. You will be able to hear your child read and then discuss the book. We will provide children with a selection of books and children will be able to select one to take home for the week. Parents will be welcome into classes on **Friday afternoons** from **2:55-3:10pm**.

Please indicate on the slip below if you would be interested in attending. We will be starting these sessions on Friday 2nd February. Parents will need to meet in the main reception area at 2:45pm so that we can start the sessions at 2:55pm.

As a school, we expect all children to read a minimum of 3 times a week and for those parents who attend this will be counted as one of their child's read for the week.

Please remember everything that your child reads counts – whether it is their reading book, a library book, a book, magazine or comic from home. We are asking you to continue to write or sign in the reading diary whenever your child reads at home as this is our only way of recording reading at home for the rewards.

We look forward to seeing you on a Friday afternoon!

Yours sincerely,

Miss Khan, Miss Skidmore & Mr Reynolds
