Disability Living Allowance

Dear Parents and Carers,

Children attending a nursery setting (aged 3 & 4) who are in receipt of Disability Living Allowance (DLA) are eligible for additional funding. This additional funding is the Disability Access Fund (DAF) and is paid to the nursery setting at a fixed annual rate of £615.

If your child is in receipt of Disability Living Allowance please provide evidence to the Nursery or School Office so that this additional funding can be claimed. An original copy of your child's disability living allowance award letter would provide suitable evidence. The school will take a copy of this for our records.

Thank you for your support with this matter.

Mrs McGibney
Head Teacher
