

WHITMORE PARK PRIMARY SCHOOL

Halford Lane
Coventry CV6 2HG

Wednesday 9th May 2018

Dear Parents/Carers,

Futures Week – Investigating Career Opportunities

As part of our preparations for Futures week, we are asking if parents/carers know anybody in the community who would be willing to come in for an afternoon to do a short talk for the children about their job. We are particularly interested in careers which are relevant/relatable to the children. We wish to look at a wide range of different career opportunities e.g. doctor, nurse, hairdresser, builder, engineer, ICT technician etc.

Below is a rough outline of what the visitors will be asked to discuss:

- Who you are and what job you do
- What your job involves; what you have to do, who you work with and your responsibilities
- Why you chose your job and the parts you enjoy
- Your education and how what you learnt at school has helped you in your work
- Answering any questions that pupils may have

Futures week will be held W/C 11th June 2018. We will provide further information via email or phone call once we have had confirmation on who is attending. We would like for adults to come in for around 1 – 2 hours depending on their availability. Please complete the form below and return it to school by Friday 18th May 2018.

We hope to inspire all children during this event and open their minds to see the wealth of opportunities that are available when they think about their future careers.

Thank you for your continued support, if you have any questions please speak to the school office who can pass a message on or alternatively email admin@whitmorepark.org

Yours sincerely

Amina Khan
Community Lead
