Dear Parents/Carers,

## Reading Rewards in Year 1

**Reading is an essential life skill that will affect your child's achievement in all other subjects and their future success.**

Many of our pupils are reading consistently and regularly at home, recording in their diaries and bringing them to school every day which is fantastic!

We have had a lot of success with our Bronze, Silver and Gold Reading Awards scheme and would like to thank all of the families who support this by ensuring that their children are reading regularly at home.

The classes which read the most are awarded with an extra playtime each week.

However, there are a significant number of pupils not reading at home or bringing their signed diary into school. Therefore, our Year 1 classes are not receiving any extra playtimes.

As of next week any **child** who reads 3 times or more in a week will be treated to an additional play time.

Thank you for your continued support.

Yours sincerely,

Year 1 Class Teachers
