

WHITMORE PARK PRIMARY SCHOOL

Halford Lane
Coventry CV6 2HG

24th May 2018

Dear Parents/Carers,

If you see someone acting suspiciously on or around school site what should you do?

You should inform the school office or the police. They will take seriously any reports of this nature. Even if you think it is nothing it may be worth raising it with the school so they can also be vigilant. If the school believe it to be concerning they will contact the local police force with as many details as possible where it will then be decided on how to deal with the concern appropriately.

If you feel that there is an immediate threat and you feel that the police need to be called immediately please use their emergency 999 number, alternatively you can contact them via 101.

Be aware of stranger danger and stay safe

- Never go off on your own with a stranger, take things from them or get in a car with them.
- Make sure you tell your parents where you are.
- If someone scares you, or makes you feel uncomfortable go somewhere safe, which could be your home, your school or a police station. Remember to tell someone what has happened straight away.

If you would like to discuss any other policing matters please contact your local policing team on 101. Always dial 999 in an emergency.

Please talk to your child and make sure they know the Stranger Danger rules.

Thank you for you continued support.

Yours sincerely
