Dear Parents/Carers

Year 3 – Anglo-Saxons Workshops

Following the success of our workshop on the Romans during the Spring term, Year 3 have booked a further workshops for the Summer term to support our learning on the Anglo-Saxons. This will take place on:

Tuesday 10th July 2018

A programme of learning activities is planned for the day to enhance your child's understanding and knowledge of the topics we are studying as part of our Humanities curriculum. During this workshop, the children will take part in group activities exploring the impact of the Anglo-Saxons on Britain.

There will be a mixture of discussion, games, activities and information boards promoting an understanding of Britain throughout this period of history. Children will be given the fantastic opportunity to examine artefacts which we would not have access to in school.

This workshop will be led by experts in ancient history and technology from a national company, supported by your child's class teacher. It will also complement the learning the children will be doing in their class. Children are invited to dress as Anglo-Saxons if they wish to for the first workshop.

The cost per child for the workshop is £5.00. This workshop represents excellent value for money and is more cost-effective than trips to Anglo-Saxon sites.

Please complete and sign the form below and return by Monday 25th June.

Thank you for your continued support.

Yours sincerely,
