Dear Parents and Carers,

We are excited to introduce a new opportunity for parents and carers to get involved in life at Whitmore Park Primary School!

As a school, we are passionate about building strong relationships with our families and creating even closer links with our wider community. We believe that working together is one of the best ways to make our school an even better place for our children, families, staff and our wider community.

We are therefore looking to establish a new Friends of Whitmore Park group and would love for you to be part of it.

Friends of Whitmore Park

Work has already begun, and we are now looking for a group of enthusiastic parents, carers and family members to join us!

The Friends of Whitmore Park group will work together to support the school through fundraising, organising events and helping to develop and improve our school grounds.

Whether you enjoy organising events, coming up with creative fundraising ideas, getting hands-on with projects or simply offering a helping hand, we would love to have you involved.

If this group sounds like something you would be interested in, we would love to see you at our information and Christmas planning evening on **Wednesday 11th November 2026 at 4:30pm.**

This is a fantastic opportunity to get involved, share your ideas and help us shape the future of our school community.

You don't need to have previous experience or be able to commit lots of time. Every contribution, big or small, can make a real difference.

We are really excited about what we can achieve together and hope to see you there!

Thank you for your continued support.

Yours Sincerely

Mrs Jacqueline McGibney and Mr John Paul Maguire

Headteacher Parent and Community Lead
