

Whitmore Park Primary School

Child Safety Awareness

Cars and kids don't mix

**A
polite
request...**

Please park away from our school!

You can help by:

- Not parking on the zig zags, this area needs to be a safer place for children at the school entrance and kept clear. It is a parking contravention to stop even for a few seconds.

- Try and park 15 metres from a road junction. This makes it safer for children to see cars approaching, for cars to see our children crossing and helps maintain the flow of traffic.

- Never park on the footpaths and or verges. This causes damage, causing parents and children to have to walk out into the road.

59% of our children think that adults do not park safely outside our school!

54% of our children think that they have seen unsafe parking outside school more than twice!

DO YOU
THINK THIS IS
FINE?

This is not
considerate parking

This is NOT a penalty charge notice and you
are not being issued a fine. It is a warning
that you could receive a fine if you do not
move your vehicle.

THINK
BEFORE
YOU **PARK**

Inconsiderate parking
can be dangerous,
inconvenient and
an eyesore.

For more information visit the CIVLA website.

Thank you for taking the time to
read our awareness presentation.
We look forward to a safer
environment for our children.
