

# Welcome to Reception at Whitmore Park

We are delighted that you have chosen to come to Whitmore Park Primary School!

## We are the Reception Teachers...

Miss Ridgway Miss Blower Miss Mosey Mrs Woodall

We are really looking forward to meeting you!

Reception at Whitmore Park is a really exciting place where you will make lots of new friends and learn many new things!

We have an exciting outdoor area that you can learn and play in.

Do you think you will be able to climb across our trim trail?

At Whitmore Park this is the smart school uniform that you will wear...

At school, you will have your own behaviour rainbow chart. You will get lots of stickers – each time you get 10, you will get to have a dip in your teacher's special prize box!

These are some of the activities that you will take part in when you are in Reception...

- Singing and dancing in Music lessons 
- Running, moving and balancing in P.E. lessons
- Learning how to read and write with Fred Frog
- Learning how to count in Numeracy 

There will also be lots of time for you to choose your own learning activities... maybe you will choose to build in the construction area or paint in the creative area?

After all the learning we'll have a break on the main playground where you can run around with your new friends.

**We hope that you are looking forward to coming to Reception. We can't wait to meet you! ☺**
