

MEET THE TEACHER!

Hello, I'm Mr Payne and I'll be teaching 6 Delta next year. I teach in Year 6 alongside my role as Assistant Headteacher of Whitmore Park, so I love being able to show off my class as an example to others. I'm looking forward to a year filled with lots of learning and laughter, ensuring you are prepared for SATs and all of the challenges Year 6 will throw at you.

About Me

- I have two dogs: a Labradoodle called Buddy and a Cypriot Poodle called Cheddar (because she's the same colour as cheese!)
- I play the trombone amongst other instruments and was a professional musician before I became a teacher.
- I absolutely love technology – I'm an Apple accredited teacher so you'll never see me without my iPad!
- I definitely prefer sweets over chocolate!
- I'm a keen photographer/videographer and love watching YouTube videos.
- I read – A LOT!

Primary School

In Year 6, you'll see yourself quickly developing new skills and perfecting existing ones, including efficiency, organisation and logical thinking. Through practise, you will hone reading and writing techniques and work with numbers greater than you ever have before. You'll explore evolution, understand fossilisation by studying real life fossils, and travel through time to understand the ancient Mayan Civilisation and how they lived. It's a tough year and the importance of SATs is very clear, but it's also a very rewarding one for those that join us for the challenge. We can't wait to see all that you accomplish this year!
