

# MEET THE TEACHER!

Hi! I'm Miss Wherly and I'm really looking forward to being your teacher in 6 Gamma next year. I love teaching in Year 6 and I'll make sure that your year is full of learning, laughter and the important preparation needed for SATs. Have a great summer holiday and I'll see you in September!

## About Me

- I love going for walks in the countryside.
- Last year, I climbed up Snowdon in North Wales and the views were amazing!
- I play the cornet in a brass band and a few years ago, I played at the Belgrade Theatre for the show 'Brassed Off'.
- I love watching films and going to the theatre.
- I love the colour blue and wearing stripy T-shirts!

Primary School

In Year 6, you'll see yourself quickly developing new skills and perfecting existing ones, including efficiency, organisation and logical thinking. Through practise, you will hone reading and writing techniques and work with numbers greater than you ever have before. You'll explore evolution, understand fossilisation by studying real life fossils, and travel through time to understand the ancient Mayan Civilisation and how they lived. It's a tough year and the importance of SATs is very clear, but it's also a very rewarding one for those that join us for the challenge. We can't wait to see all that you can accomplish this year!
