

MEET THE TEACHER!

Hi! I'm Miss Shoker. I am looking forward to being in 6Beta with you. I adore teaching in Year 6 as I get to teach the most mature children in the school. I can't wait to start this very important year with you all. Have a great summer and see you in September!

About Me

- I am an avid Arsenal fan and I love watching football.
- I like reading books – especially just before bedtime.
- I enjoy watching films and going to the cinema
- More than anything, I love spending time with my friends and family – especially my nieces and nephews.

Primary School

In Year 6, you'll see yourself quickly developing new skills and perfecting existing ones, including efficiency, organisation and logical thinking. Through practise, you will hone reading and writing techniques and work with numbers greater than you ever have before. You'll explore evolution, understand fossilisation by studying real life fossils, and travel through time to understand the ancient Mayan Civilisation and how they lived. It's a tough year and the importance of SATs is very clear, but it's also a very rewarding one for those that join us for the challenge. We can't wait to see all that you accomplish this year!
