In Year 3 we do lots of exciting topics. You will be amazed at how quickly you will learn new things in Key Stage 2. You will learn all about the Stone Age, Bronze Age as well as the Romans and the Anglo-Saxons. We will have lots of fun imagining what life was like during those time periods! We will explore our local area in Humanities. You will also learn your 3, 4 and 8 times tables through fun songs and activities.

I am so excited to watch you grow and become more independent this year. I can't wait to have you in my class!
