

MEET THE TEACHER!

Hi! I'm Mr James. I am really looking forward for having you in my class! In Year 3 we have so many exciting things to do and I can't wait to have an adventure with you in my class. We will do lots of learning and of course have fun on the way.

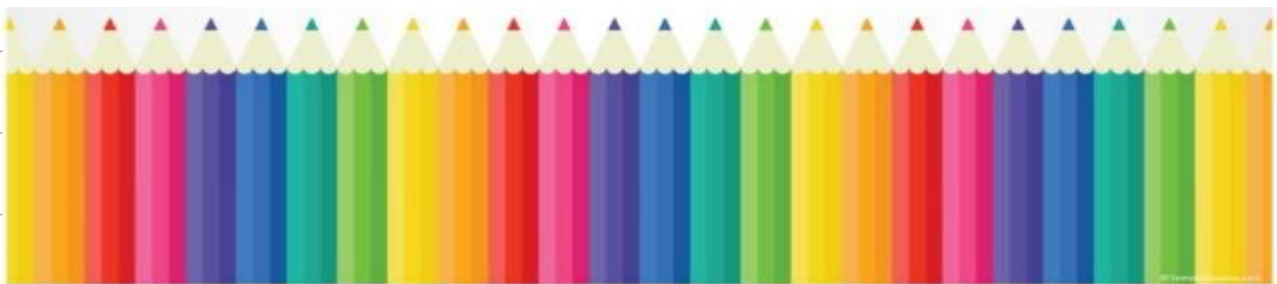

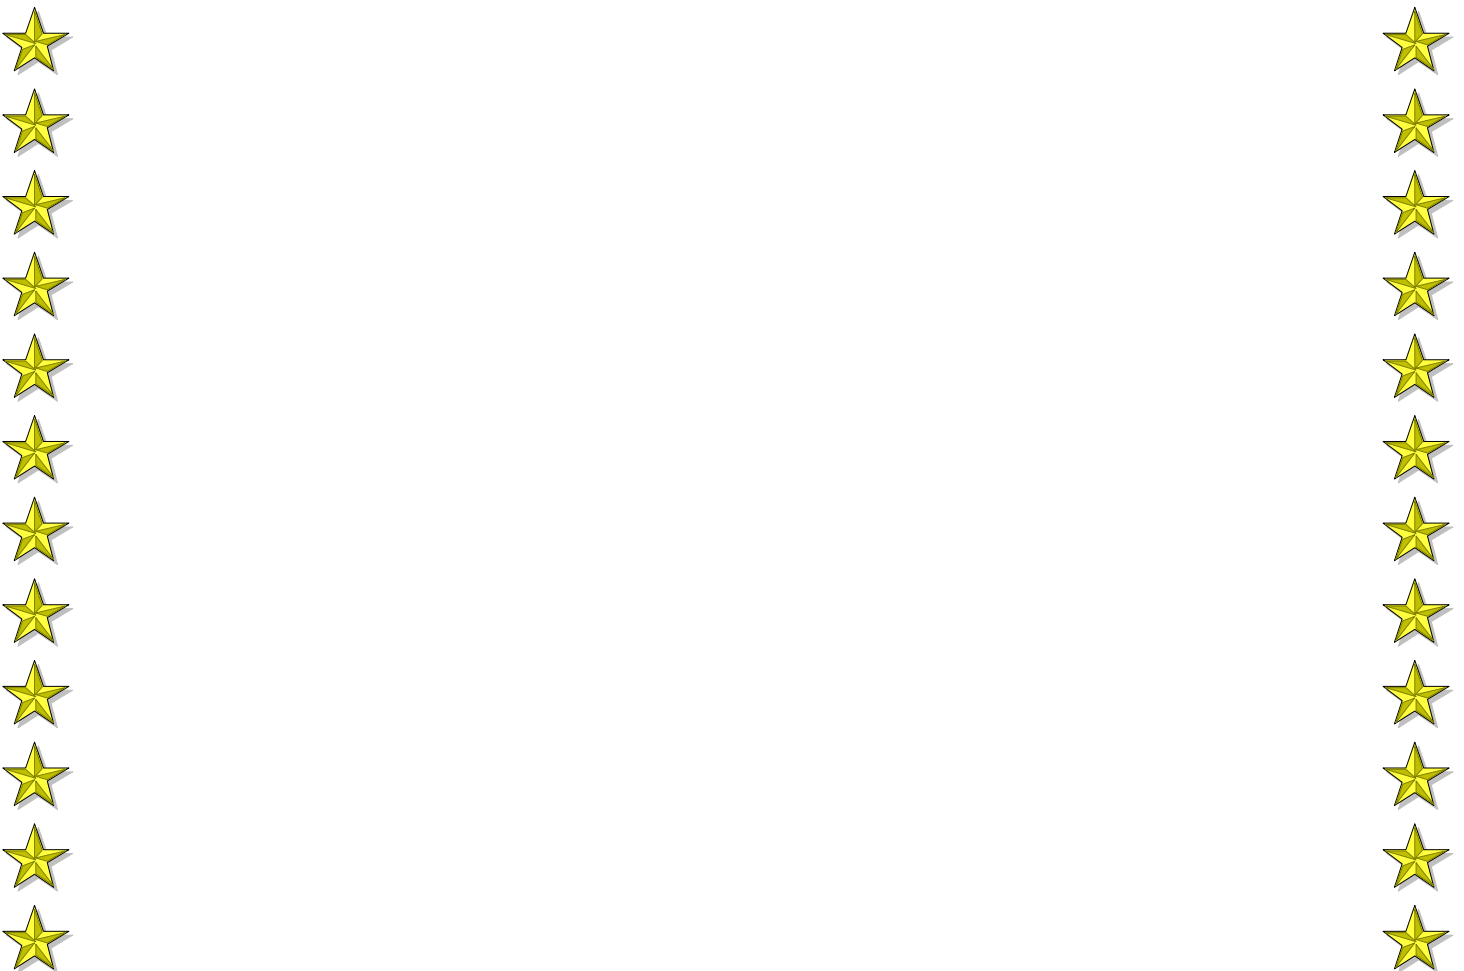

Whitmore
Park
Primary School

In year 3 we do lots of exciting learning. We continue to practise skills that you have learnt in Year 2. We will start to practise our 3, 4 and 8 times tables! You will have the chance to do lots of work independently and show off your super work to your class mates. We will be learning about the Stone Age and the Romans and even try to imagine what life would have been like back then.

I am really excited to having you in my class and seeing you start your journey in KS2.

- I LOVE sports and play a lot of golf and football.
- I support Coventry FC and also like Liverpool.
- I like reading and I love reading the David Walliams books.
- My favourite animals are hedgehogs.

About me
