

MEET THE TEACHER!

Hi! I'm Mrs Heer. I am so excited about joining the Year 6 team this year. I love teaching and supporting pupils across the school. I'm looking forward to a new year and a new challenge which will be filled with lots of fun, learning and new adventures!

About Me

- I love travelling!
- I have worked abroad as a teacher for two years.
- My favourite film ever is Jurassic Park!
- I enjoy long walks, having picnics and running.
- I love going to the cinema, reading and socialising with both family and friends.

Primary School

In Year 6, you'll see yourself quickly developing new skills and perfecting existing ones, including efficiency, organisation and logical thinking. Through practise, you will hone reading and writing techniques and work with numbers greater than you ever have before. You'll explore evolution, understand fossilisation by studying real life fossils, and travel through time to understand the ancient Mayan Civilisation and how they lived. It's a tough year and the importance of SATs is very clear, but it's also a very rewarding one for those that join us for the challenge. We can't wait to see all that you can accomplish this year!
