

Parents' Guide to Seesaw

Your Work

(This is called Journal on Seesaw)

When children sign in to the Class app, the work they have completed or uploaded can be seen in their journal.

Add Your Work

Click the green Add button to post your work using fun tools like Photo, Drawing, Video and more. You might use this to share an exciting book you have read or to upload work and homework.

Work Your Teacher Has Set

To see work your teacher has set, click the Activities tab under the class name. Find work to complete. You may need to scroll through the assignments to find the one you are looking for. Then click Add Response complete your work using the tools available at the bottom and click the green tick in the top right hand corner to send it back to your teacher.

View Announcements, Messages, & Notifications

A red notification bubble appears when there's something to see. This may be a message from your class teacher or a reminder.
