In Year 5, you will learn about some of the most fascinating topics. You will learn all about the Coventry Blitz and how people from Coventry were affected. You will also learn about the planets in our solar system; you'll be amazed at the knowledge you will gain. One of my favourite topics I will teach you is the Ancient Greeks! The Ancient Greeks were incredible and we are still influenced by them to this day. In year 5, we love to talk to the children about what your interests are and we will work to include these within your lessons. You are going to have an awesome year. Welcome to Year 5!
