

MEET THE TEACHER!

About me!

- I live with Mrs McShane and Mr McShane, our dog Missy and my new puppy Betty. Betty gets into lots of mischief and adventures that I will share with you.
- I love animals and going to the zoo with my niece and nephew. My favourite animal at the zoo is the Bush Dog.
- My favourite stories are the Mog stories by Judith Kerr I own ALL of them and so I will definitely bring them in to read with you.

Hello boys and girls, I am Miss McShane and I am going to be your year 1 teacher. Together we will be in 1 Gamma. Some of you might remember me from when I came into Reception with Miss Mosey. I am so excited to see you again or maybe meet you for the first time and for us to learn together. We are going to have so much fun! Have a wonderful Summer and I will see you in September.

**Whitmore
Park**
Primary School

In Year One we will do lots of exciting and new learning. We will read, write and use numbers and shapes, just like you did in Reception but with some new grown up year 1 skills!

We are going to learn about transport and how it has changed over the years. Do you think your Grannies and Granddads travelled to school in the same way you do? We will learn about life in the Victorian times. The Victorians lived a long time ago and things are quite different now! We will be doing some Science, learning all about our bodies and senses. We might even complete some experiments like real scientists! We will also learn about Animals, my favourite. I can teach you all about the Bush Dog. I am sure you will all have lots you can teach me too.

We will read lots of wonderful stories together and hopefully some of them will be brand new to you and me!

Welcome to Year 1, you are going you have a wonderful time.
