

# MEET THE TEACHER!

Hi, I'm Miss Chapman and I am really looking forward to welcoming you into 4 Gamma! It has been fantastic watching you grow in Year 3 and I'm looking forward to another fun filled year of learning. Have a great summer and I'll see you in September.

## About Me

- I love reading and have a large book collection!
- I enjoy keeping fit. My favourite sports are badminton and netball.
- I love spending time with my family and friends.
- I have a clothes shopping addiction!
- I enjoy travelling and exploring new places.

Primary School

In Year 4, you will learn about some fantastic topics. You will learn all about the Ancient Egyptians and the Vikings. You will also find out how electricity is made, how sound travels and why food chains are important. You'll be amazed at the knowledge you will gain during your time with in Year 4! One of our best topics is South America, where we learn all about the Amazon Rainforest. In Year 4, we are always learning and try to make your lessons as creative as possible. You are going to have a wonderful year. Welcome to Year 4!
