In Year 4, you will learn about some of the most fascinating topics. You will learn all about one of my favourite topics: The Ancient Egyptians. You will also get the opportunity to learn about the Vikings as well as the Amazon Rainforest in South America. Whilst in year 4, I would love to talk to you about what your interests are and I will work to include these within your lessons. You are going to have an awesome year and I cannot wait to meet you properly in September. Welcome to Year 4!
