

# MEET THE TEACHER!

Hi, I'm Miss Waddell. I am really looking forward to welcoming you into Year 3. I am so excited to teach you this year and I can't wait to help you become the best learners that you can be. We are going to absolutely love our learning and most of all have lots of fun!

## About Me

- I love the outdoors and going for nice long walks with my dog (even though he can be very naughty).
- I really enjoy reading and my favourite children's book is Katie Morag, but I love reading Harry Potter and lots of other things too.
- My favourite colour is purple.

Park**  
Primary School

In year 3 we will do lots of exciting learning! You will have the opportunity to work independently and you will be amazed by how much you will learn. We will practise and learn our 3,4 and 8 times tables. We will learn about the Stone Age and the Romans and even imagine being alive in those times!

I am very excited to meet you and start your journey with you in KS2.
