

MEET THE TEACHER!

Hi! I'm Mrs Ellis and we are going to be in 1 Delta together! I am so excited for you to be in my class next year. I love being a teacher in Year One and I hope we have lots of fun and learn lots together! I hope you are excited too! Have a fantastic summer holidays and see you in September!

About me!

- I love watching movies and reading books!
- I have two cats called Buzz and Woody! I also have lots of fish!
- I play the clarinet!
- My favourite colour is purple!
- I have a son called Joseph!
- I love going camping by the seaside!

**Whitmore
Park
Primary School**

In Year One we do lots of exciting things. You will be amazed at how much your reading, writing and math skills develop through the year! We learn about how transport has changed through the years including cars and bikes! We learn all about Victorian Life and how it is different to our lives now. In Science, we learn all about our bodies and senses completing experiments to test out your taste, smell, hearing, sight and touch! We also look at Materials and Animals and learn lots of new things about them. We read lots of fantastic stories such as Chocolate Cake, Wolves, Journey and many many more!

Welcome to Year 1, we cannot wait to learn lots together!
