Sports Day 2022 - Celebrating Commonwealth Games 2022 Week Commencing 11th July 2022

Dear Parents / Carers

We are delighted to be able to hold our Sports Day events this year for each year group, with parents/carers and family members in attendance.

The theme for this year's Sports Day will be celebrating the start of the Commonwealth Games 2022. Please be aware children will not be competing against each other but placed into a country taking part in the Commonwealth Games and they will be looking to gain points for the country they are representing in each of the events. All children from Reception to Year 6 will represent their nation and this information will be shared with parents ahead of the start of their sports day slot. Individual and team winners will be announced in the end of year performance assemblies.

Each year group will be allocated a specific morning and parents/carers/families are welcome to attend. On this day, please can you make sure your child has a water bottle in school and is wearing their PE kit and trainers. If your child requires an inhaler and does not have it with them on this day, they will not be allowed to take part in the events. Can you please ensure your child is wearing sun cream before they come into school, particularly if it is a sunny day. Please find year group dates and times below:
