

MEET THE TEACHER!

Hi, I'm Miss Waddell. I am really looking forward to welcoming you into Year 3. I am so excited to teach you this year and I can't wait to help you become the best learners that you can be. We are going to absolutely love our learning and most of all have lots of fun!

- I love the outdoors and going for nice long walks with my dog (even though he is very naughty).
- I enjoy reading and my favourite children's book is Katie Morag, but I love reading Roald Dahl's books too.
- My favourite colour is blue.
- My favourite films are the Harry Potter films.

Primary School

In year 3 we will do lots of exciting learning! You will have the opportunity to work independently and you will be amazed by how much you will learn. We will practise and learn our 3,4 and 8 times tables. In History we will learn all about the Stone Age, Romans, Anglo Saxons and imagine being alive in those times through lots of exciting opportunities. In Science we learn about plants, light and magnets which we will investigate just like real scientists.

I can't wait to meet you and to start your journey with you in KS2.
