

# MEET THE TEACHER!

Hi everyone, I am Mr Maguire and I will be your teacher in year 5! I am so excited for the fantastic year we are going to have together, where we will work in partnership to achieve your absolute best. I hope you are as excited as I am, and I hope you enjoy your summer holidays too!

## About Me

- I love going to the park with my children, especially when we take our bikes.
- My favourite food is Chinese.
- My absolute favourite colour is purple, but I also love red!
- I love the Autumn time, as the weather begins to get cold and the hot chocolate comes out!

Whitmore  
Park  
Primary School

In year 5, we will get lots of opportunities to learn some new and amazing things. These include World War 2 and the involvement of Coventry in the Blitz, this will hopefully involve a trip too. In Science we will be learning about Space and all of the different planets within our Solar system, finally, we will also be spending some time learning about the Ancient Greeks and what life would have been like during that time, as well as how they have impacted us today! In English we will have lots of opportunities to build on our writing skills, and we will have the chance to explore lots of different genre's of text in our reading lessons too! Let's have an amazing year 5 :D
