

# MEET THE TEACHER!

Hi! I'm Miss Wherly and I'm really looking forward to welcoming you into 5 Gamma next year. I love teaching in Year 5 and helping children learn to be the best that they can be. We're going to have a great year and a lot of fun learning new skills. Have a great summer holiday and I'll see you in September!

## About Me

- I love going for walks in the countryside.
- I climbed Snowdon in North Wales a few years ago and the views were amazing!
- I play the cornet in a brass band and play in lots of concerts in and around Coventry.
- I love watching films and going to the theatre.
- I love the colour blue and wearing stripy T-shirts!

Park  
Primary School

In Year 5, you will be learning about some of the most fantastic topics. You will learn all about the Coventry Blitz in World War 2 and how people from Coventry were affected. In Science, you will learn about the planets in our solar system; you'll be amazed at the knowledge you will gain. One of my favourite topics to teach you is the Ancient Greeks. The Ancient Greeks were fascinating people and we are still influenced by them to this day. In English and maths lessons, you will develop your skills further in writing, reading, arithmetic and problem solving. You will have a fantastic year! Welcome to Year 5.
