Dear Parents/Carers,

This week, our staff and pupils have been hard at work creating small businesses for Enterprise Week. Each class has come up with a product or service to sell, starting with a £50 'business loan' and seeing how much profit they can create. The purpose of Enterprise Week is to teach children how to be sensible with money and provide real life experiences that link back to their Maths, English and RHE lessons. Children have taken part in NatWest MoneySense workshops and Barclays Life Skills lessons to help support their business plans.

On **Friday 8<sup>th</sup> July**, the children will be selling their products to members of the school community. The more profit they make, the more each class can spend on something that will benefit them: a class party, a visitor/workshop, a charity donation, a book order etc. All classes will have a stall in the hall on **Friday afternoon**, and the children will all get a time slot to visit the hall and purchase anything they would like too. We ask that you kindly send your children with some change on Friday to enable them to make a purchase. This might be a sweet cone, popcorn, slime or a photo keychain. £5 max would allow your child to buy 2-3 items, however things are available from £1. Parents are also invited in at the end of the school day to purchase from the stalls. The hall will be open for you from 3pm, so we invite you in whilst you wait to collect your children. We will be selling until 3:45.

A full list of the items and prices will be published on ClassDojo before the event, so keep an eye out for what is available on our School Story!

Yours sincerely,

Mr Payne

*Assistant Headteacher*
