6th July 2021

Dear parents/carers,

The children have spent the day in their new classrooms with their new teachers today and all had a super time making some great first impressions! They have all done their best to be their best!

Today, the children will be bringing home a 'Meet the Teacher' sheet so you can see who their new teacher is. All of the teachers have also created a 'Welcome' video which is live on our website today. Please encourage your child to watch the video as many times as is helpful for them.
