

# WHITMORE PARK PRIMARY SCHOOL

Halford Lane  
Coventry CV6 2HG

Monday 14<sup>th</sup> November 2022

Dear Parents/Carers,

## **Aspirations week– inspirational careers in STEAM 4<sup>th</sup>, 5<sup>th</sup> 6<sup>th</sup> January 2023**

As part of our preparations for Aspirations week, we are asking if any parents/carers or if you have any relatives/friends from the local community who would be willing to come in for an afternoon to do a short talk for the children about their job. We are particularly interested in careers which are related to STEAM (science, technology, engineering, art and maths) as this will be our focus for the week. We wish to look at a wide range of different careers ranging from: Mechanical & Civil Engineer, Architect, Website/App Designer, Orthopaedics Technologist, Biomedical Engineers, Product Designers, Animators, Sound Engineers, Video Game Designers, Medical, Astrophysicists, Audio Developers, Graphic Designers, Broadcast Technicians, Fashion Designers, Photographers, Sports Announcers, Pilots, Astronauts or Archaeologists.

Below is a rough outline of what the visitors will be asked to discuss:

- Who you are and what job you do
- What your job involves; what you have to do, who you work with and your responsibilities
- Why you chose your job and the parts you enjoy
- Your education and how what you learnt at school has helped you in your work
- Answering any questions that pupils may have

Aspirations week will be held from Wednesday 4<sup>th</sup> January 2023 until Friday 6<sup>th</sup> January 2023. We will provide further information via email or phone call once we have had confirmation on who is attending. We would like for adults to come in for around 1 – 2 hours depending on their availability. Please complete the form below and return it to school by Friday Thursday 1<sup>st</sup> December 2022.

We hope to inspire all children during this event and open their minds to see the wealth of opportunities that are available in STEAM careers.

Thank you for your continued support, if you have any questions please speak to the school office who can pass a message on or alternatively email [admin@whitmorepark.org](mailto:admin@whitmorepark.org)

Yours sincerely  
Zeenat Hussain  
Science lead

Jagdeep Sandhu  
PSHE Lead
