Dear Parents/Carers,

Now that the children have completed a full term in Year 6 and have completed some internal assessments, we have analysed their results and are working hard to address gaps in their learning, ready for SATs. We will be discussing this with you during parents evening due to be held at the end of this month.

**With the coronation of the King taking place this year, the dates for SATs have been amended and will be as follows:**

- **Tuesday 9 May 2023:** Spelling, Punctuation & Grammar – Paper 1
- **Tuesday 9 May 2023:** Spelling Punctuation & Grammar – Paper 2
- **Wednesday 10 May 2023:** English Reading
- **Thursday 11 May 2023:** Maths Paper 1 (Arithmetic)
- **Thursday 11 May 2023:** Maths Paper 2 (Reasoning)
- **Friday 12 May 2023:** Maths Paper 3 (Reasoning)

We will be inviting our Year 6 parents in to give you more information after half term and will send more communications nearer to the time with dates and timings. We will also be putting together an informative video detailing when SATs will take place this year; what you can expect during SATs week and how best to prepare your children at home. You will receive a link to this video in an email as soon as it is published online. Thank you for your patience.

To support your child in preparing for the SATs tests in May, we are offering you the opportunity to purchase a range of CGP workbooks for home use. The prices of these books are significantly cheaper than the prices set in book shops and on the internet and will provide your child with activities to support them in developing the necessary skills in maths, reading and grammar.

We will also be setting homework from these books and encourage the children to complete the tasks before we discuss it within revision lessons at school. If the children are struggling to access the revision guides at home or need a little more support, we will also be holding a homework drop-in session during Thursday lunchtimes where the children can come and speak to an adult for support.

If you would like to purchase any of these books, please complete the form on the back of this letter and return it to school and make payment on the school gateway, by **Tuesday 31<sup>st</sup> January**. We will then have the order ready to provide for the children before half term. Children who are pupil premium (entitled to means-tested free-school meal) will have the recommended books purchase through school. If you are however, struggling with payment, please come and speak to your child's class teacher.

We recommend ordering the 'Stretch' books only if your child is aiming to achieve Greater Depth within the subject. **Our basic recommendation would be for everyone to have the Buster Bundles and the Maths question book (MLFW23).** Please contact your teacher should you have any questions. We've had great success when using these books each year and hope they will have the same impact this year.

Yours sincerely,

Year 6 teachers

## Year 6 SATs Book Order Form 2022/2023

Name: \_\_\_\_\_

Class: \_\_\_\_\_

Books in bold are the ones that our school recommend.

Book	Retail Price	School Price	Tick if required
