Dear Parents/Carers

## Year 2 End of Key Stage Assessment

We are extremely pleased with how well the pupils are working in Year 2. At the end of Year 2, pupils are assessed by their teachers and the teacher assessment is reported to you. They will also take the National Curriculum tests in Mathematics, Reading, Spelling, Grammar and Punctuation, which will contribute to the teacher assessment. We aim for every child to reach their full potential and we are using a range of strategies to ensure they do so.

**We will be holding an important meeting for parents to inform you about the tests/assessments and also to help you to be best placed to support your child.**

**The meeting will be from 5:00pm – 6:00pm on Tuesday 14<sup>th</sup> March 2023.**

The children in Year 2 will be completing their tests **w/c 15<sup>th</sup> May 2023**. Any children who did not pass the phonics screening in Year 1 will take the phonics screening test during **w/c 12<sup>th</sup> June 2023**. It is imperative that all children are in school during these dates and that all of the pupils have good attendance during the year.

To support your child in preparing for the SATs tests in May, we are offering you the opportunity to purchase a range of CGP workbooks for home use. The prices of these books are significantly cheaper than the prices set in book shops and on the internet and will provide your child with activities to support them in developing the necessary skills in maths, reading and grammar. Children who are pupil premium (entitled to means-tested free-school meal) will have the recommended books purchased through school. However, any parents who are struggling with payment, please come and speak to your child's class teacher. Please return all order forms by **Friday 17<sup>th</sup> March 2023**. Please speak to your child's class teacher if you are unsure about which books to order.

Please return the slip below to confirm attendance at the meeting.

Thank you for your continued support.

Yours sincerely

Year 2 Class Teachers.
