Primary School

In Year 5, you will learn about some of the most fascinating topics. You will learn about one of my favourite topics, World War 2 and the Coventry Blitz and how people from Coventry were affected. You will also learn about the planets in our solar system; you'll be amazed at the knowledge you will gain.

Another topic I will teach you is the Ancient Greeks! The Ancient Greeks were fascinating and we are still influenced by them to this day. In year 5, we love to talk to the children about your interests and will work to include these within your lessons. You are going to have an amazing year. Welcome to Year 5!
