Extra-Curricular Activities on Offer for Autumn Term 2023

Dear Parents / Carers

We are delighted to be able to offer a variety of extra-curricular clubs for pupils in **Years 1 to 6** this term. Each club will have limited number of places, please see the timetable over leaf. **They will start week commencing the 18th September 2022 and will run for 10 weeks until the week commencing the 27th November 2023.**

The clubs run over a **10-week period** at a charge of **£10** per activity taught by staff and **£20.00** per external run clubs (Dance). Your child can only apply and pay to take part in one club to ensure more children get an opportunity to take part. If you do pay for more than one club, then your child will not have a place.

Payment needs to be made online via our new app My Child At School (MCAS) and the places will be allocated on a first come first served basis. If you have not yet activated your MCAS account, please visit the website [MyChildAtSchool - Login](#) or download the app from your app store. Please note a separate letter has been sent out regarding joining MCAS.

The payments will go live on **Thursday 14th September at 8am**. Once all places have been allocated the payment will no longer be visible on MCAS and you will not be able to book your child onto the activity, however you can add your child to a waiting list in case any places become available. Due to the limited numbers, we are unable to accommodate every child in the year group, therefore we advise you book your child a place as soon as the payment goes live. If your child is pupil premium, (entitled to free school meals), then the activities are available at a 50% discount so £10 for external providers and £5 for staff run activities. If you manage to make a payment, this will be your child's place secured and your confirmation of their place.

Please note we will also be hosting invite only extra curriculum activities. If your child has been invited to a club, they will receive an additional letter in the near future with the details for the club.

Please see overleaf for the timetable and costings of clubs.

Thanks

Mrs McGibney
