

# Maths in the Primary School

**A free Family Learning course for parents at Whitmore Park**

Have you ever wondered what the children learn in maths and how you can help? You can come along to a free 10-week course for parents to develop your confidence in maths, and in using maths with your children.

This friendly, informal course is for parents / carers with children from Nursery to Year 2 at Whitmore Park.

We will:

- Explain the maths methods used at Whitmire Park.
- Learn maths phrases your children use in school, such as 'partitioning' and 'place value'
- Provide you with games to take home and play with your children
- Give you a cup of tea and biscuits!

We can also provide a free crèche if you have pre-school children

Where: in school – please come to the main office

When: 9-11am Mondays, starting 25th September for 10 weeks

To find out more contact: Ms Squires at school or [kate.steventon@coventry.gov.uk](mailto:kate.steventon@coventry.gov.uk)

To book a place: return the slip to school.

There are just 12 places so be quick!

**\*Assume you have a place unless you hear from us\***

If you can't make this course look out for our online courses on [coventry.gov.uk/adulted](http://coventry.gov.uk/adulted)

I would like a place on the Whitmire Park / Family Learning 'Maths in the Primary School' course

**\*assume you have a place unless you hear from us\***

Parent / carer name: .....

Contact number: .....

Child's name: .....

Class: .....

I would like a place in the crèche for: name .....age.....

**Family Learning – programmes that promote strong positive relationships within families; enabling parents and carers to support their children's learning and development.**
