Dear Parents/Carers of children in Year 1,

As a school we believe in a broad, balanced curriculum and we value the quality first hand experiences that our chosen trips provide for children. We strongly believe that they enhance children's learning by providing opportunities and experiences that we could not offer within school. The trips form an integral part of the learning that takes place in the classroom prior to and following the trip.

We are aware of the financial pressures on parents as the country faces a cost of living problem. To support with planning for the cost of trips and visits, we are providing an overview timetable of trips/visits for the year.

When	Where	About the trip	Approximate Cost Breakdown
Spring Term	Trip to the local church	Children will walk to the local church and have a guided tour as part of the RE unit. We will learn more about Christianity during our visit.	No cost
Summer Term	Rutland Water Park	Children are going to be visiting Rutland Water Park as part of our Geography topic – An area of the UK. We will be looking at human and physical features, we will have a chance to play in the sand and a paddle in the waters.	£18 per child Cost includes: entry to the park and the coach.
Approximate total cost of trips for the year			Please note these prices are subject to change.

As you can see from the information above we try to balance the costs across the year, by having one more expensive trip, one local visit and one visitor into school.

We are offering the opportunity to support parents with payments spread across the school year.

The trips for the year will be added as soon as we have confirmed dates onto My Child At School (MCAS). This will enable parents to make partial payments towards the trips throughout the year. Please see additional payment information over leaf.

We thank you in anticipation for your support with our trips throughout the year.

Yours sincerely,
Jacqueline McGibney
Head Teacher
