In Year 1 we have lots of exciting things to learn about. We will read lots of amazing stories like Handa's Surprise and Room on the Broom. We will learn to write about the things we have read! In History, we will learn about Toys from the past. In Geography, we will learn more about Our School by going on lots of fun walks around our school. In Science, we will be learning about different plants and Senses. We will complete fun experiments to test our taste, smell, hearing, sight and touch. We will also be going on exciting trips! There will be plenty of time to explore all the things you like to do independently too, including Art, Writing, Construction, Role Play, Jigsaw puzzles, board games and many more. We are going to have a fantastic year!
