

MEET THE TEACHER!

Hello, I'm Mrs Nolan. I am excited that I am going to be your Year Three teacher! I will be teaching you on a Monday, Tuesday and Wednesday. I can't wait for the fantastic learning and fun we're going to have along the way. I hope you are as excited as me for the adventure which is Year Three!

About Me

- I love reading.
- I love History and like to visit castles at the weekend especially, Warwick Castle as it is so close to us!
- I have a daughter, so I like going on day trips with her.
- My favourite film is anything by Disney.
- My favourite colour is purple.

Primary School

In Year Three we have lots of fascinating topics to learn about. In History, we will learn about The Stone Age to the Iron Age and how people lived in those times. We also learn about the Romans and the impact they had when they conquered Britain. In Geography, we will learn about earthquakes and volcanoes and expand our learning about the UK and the World. In Science, you will continue learning about plants and learn more about the human body! We look at lots of different books in Year Three from all different genres and we will practise writing in different styles. The year is going to be great!
