

MEET THE TEACHER!

Hello, I'm Miss Cook and I'll be teaching 3 Gamma next year. I'm looking forward to a year filled with lots of learning and laughter. Together we will ensure you are ready for all of the challenges Year 3 will throw at you.

About Me

- I have two pet rabbits: Barney and Gizmo (Gizmo looks like a gremlin!)
- I am the eldest of three siblings; I have a younger brother and sister.
- I love singing and dancing. You can always find me listening to music or dancing on the dance floor.
- My favourite sweets are strawberry laces.
- I love spending time with my family, watching a good romcom and reading.
- My favourite place to be in on the beach watching the world go by.

Primary School

In Year 3 you'll see yourself quickly developing new skills and perfecting existing ones, including efficiency, organisation and logical thinking. Through practise, you will hone reading and writing techniques and work with numbers greater than you ever have before. We have some of the best History topics (the Romans!) and get to study the coolest Geography topic of all – Earthquakes and Volcanoes. We might even make one! I can't wait to see you all grow and accomplish your goals this year!
