

# MEET THE TEACHER!

Hello, I'm Miss Heaton, and I'm really excited to work with you next year in Year 5! I am sure we are going to have an amazing year together! We will learn, grow, and have fun along the way. We have got lots of exciting and interesting lessons and activities planned just for you.

## About Me

- My birthday is the 23<sup>rd</sup> of April.
- I love animals, especially dogs!
- Reading is a passion of mine, and I can't wait to share my favourite stories with you all.
- My favourite food is Mexican food.
- I love travelling and discovering the world around us.

Primary School

In Year 5, we love to discuss your interests and will incorporate them into your lessons. You're going to have an incredible year, exploring some fascinating topics. In science, we'll learn about animals and humans, as well as space! You'll discover the planets in our solar system and be amazed by the knowledge you'll gain. One of my favourite subjects to teach is the Ancient Greeks! Their civilization was so intriguing, and their influence is still felt today. In history, we'll study the Coventry Blitz, and in geography, we'll explore the beautiful city of Barcelona.
