

MEET THE TEACHER!

Hi! I'm Miss Wherly and I'm really looking forward to teaching you in Year 4 on a Friday each week. I love helping children learn and be the best that they can be. We're going to have a great year and a lot of fun learning new skills. Have a great summer holiday and I'll see you in September!

About Me

- I love going for walks in the countryside.
- I climbed Snowdon in North Wales a few years ago and the views were amazing!
- I play the cornet in a brass band and play in lots of concerts in and around Coventry.
- I love watching films and going to the theatre.
- I love the colour blue and wearing stripy T-shirts!

Whitmore
Park
Primary School

In Year 4, we are going to be learning about some great topics! Alongside our usual Reading, Writing and Maths lessons, we will be learning about The Ancient Egyptians and The Vikings. You will learn about rivers, the water cycle and all about our capital city of London. You will explore how electricity is made, how sound travels and human digestion. These are only some of the fascinating topics we are going to look at. You will be amazed at all the knowledge you are going to gain in Year 4! You have the most fantastic year ahead of you and I'm so excited for us to learn together.
