

Dear Parents and Carers,
The children have had a fantastic week filled with exciting activities. Whenever the weather permitted, we made the most of the outdoors, spending plenty of time in the garden. This time of year, the garden is full of crane flies, which seem to be drawn to the bright environment. The children were thrilled to spot so many and, as the days went on, they grew increasingly brave around them. We introduced magnifying glasses for the first time, allowing the children to take a closer look at the crane flies, and they were a huge hit!

In addition to our time in the garden, we've been busy in the large construction area. The children have worked together to create buses, cars, fire engines, and tow trucks, using their imaginations and teamwork. I was a little worried about getting onto the "bus" for a ride, especially when the window fell out and it caught fire. However, it did "travel" to Africa for a penny, so it was quite good value. They even designed their own creative inventions, one of them humorously claimed to have "invented the wheel"! It's been a wonderful week full of learning, exploration, and fun.

Have a lovely weekend

Mrs McShane

Names

Please can you help us by putting your child's name into all their belongings. It can be quite distressing for the children if we are unable to find their coat and bag.

Nappies

If your child is in nappies, please can you provide at least two spare nappies daily, along with baby wipes and nappy sacks.

Any matters relating to the educational and personal welfare of your child, including medical and dietary needs must be raised with Mrs McShane. Please do not discuss these matters with other members of Nursery staff.

Thank you

Mrs Ruth McShane
